What is Trafficking in Persons (TIP)?

Trafficking in persons is an illegal act and is considered a violation of human rights. It has three (3) inter-related and interdependent elements for a situation to be considered trafficking in persons:

ACTS - It involves the recruitment, obtaining, hiring, providing, offering, transportation, transfer, maintaining, harboring, or receipt of persons with or without the victim's consent or knowledge, within or across national borders;

MEANS - It is committed by use of threat, or use of force, or other forms or coercion, abduction, fraud, deception, abuse of power or of position, taking advantage of the vulnerability of the person, or the giving or receiving of payments or benefits to achieve the consent of a person having control over another person; and

PURPOSE - It is done for the purpose of exploitation or the prostitution of others or other forms of sexual exploitation, forced labor or services, slavery, involuntary servitude or the removal or sale of organs.
